

DOWNTOWN NEIGHBORHOOD ASSOCIATION
Winter 2010

PRESIDENT'S MESSAGE

The entire Board of Directors joins me in wishing all of you a Happy New Year and the very best as we enter a new decade!

Your Neighborhood Association has been very active since we were last together at the Annual Meeting and Spring Picnic, finding ourselves dealing with a wide variety of issues to include work on the finalization of the Historic District Review Ordinance; the printing of the New Resident's Guide; coordinating efforts with the Savannah Film Office regarding the filming of "The Last Conspirator" as well as preparing for our sole fundraiser, the Holiday Tour of Homes. The enclosed articles should serve to update you on several of these topics.

The tour committee was very ambitious in an effort to make our 35th Annual Holiday Tour the most successful to date! Indeed, through partnering with the Downtown Garden Club's Victorian Tea, the addition of a Sunday tour of Historic Inns, and the expansion of the boutique located in tour headquarters, they continued to build on a past proud tradition. Please take a moment to thank our benefactors and your neighbors who made their homes available to us—the good work that tour proceeds allow us to do would not be possible without their generosity!

When you are next online, take a moment to review the DNA's recently launched website – www.SavannahDNA.org – and pass along your comments as they will assist us in shaping the site and meeting our goal of improving the efficiency and frequency of our communications with you. Also, if you've yet to renew your membership, please know that you may now do so on the website.

Our next General Meeting will take place on Tuesday, January 19th in the Pulaski Room of the DeSoto Hilton. The "meet & greet" reception begins at 6:30 with the meeting following at 7:00pm; we hope to see as many of you there as possible!

Lastly, a special "thank you" to our Ward Captains and members for their continued assistance in decorating the squares for the Holidays; as always they serve to remind us of the uniqueness of our neighborhoods and how fortunate we are to live in such a special place!

Looking forward to seeing you on the 19th,

Randy Kulp
